* In degrees/minutes/seconds or decimal degrees, accurate to eight (8) decimal places.

Particulars of the farm(s) where the mining claim(s) is/are situated:

Ordinal Number	Farm Name and Number	Full name and postal address of private land owner <i>If space is insufficient, attach a separate sheet</i>

Indicate the geological nature of the deposit to be mined:

.....

.....

Planned date of commencement of mining operations*:

Expected nature of mining operations*:

.....

Expected rate of mining operations*:

***The fundamental obligations on the holder of a mining claim is, subject to the provisions of Section 31(1)(b)(i) of the Act, to carry on mining operations on the mining claim for the mineral or group of minerals for which the mining claim has been registered.**

Where, in terms of Section 31(1)(b)(i) of the Act, the applicant intends, during the six month period following the date of registration of the mining claim(s), to carry on prospecting operations in lieu of mining operations, provide details of the planned programme of prospecting operations:

.....

.....

Provide particulars of technical capability/resources:

.....

Provide particulars of financial capability/resources:

.....

Provide particulars of the condition of, and any existing damage to, the environment, in the area to which this application relates. Additional details, documents, photographs, etc. may be attached:

.....

.....

Estimate the effect which the proposed operations may have on the environment and the proposed steps to be taken to minimize or prevent any such effect (complete an Environmental Questionnaire and Pro-Forma Environmental Contract):

.....
.....

Provide details of any other matters which in the opinion of the applicant are relevant to the application:

.....
.....

Attach the following documents to this application:

1. A sketch plan in quadruplicate of the mining claim(s):
 - i) drawn as near as possible in ink on strong or durable paper;
 - ii) showing the direction of either true or magnetic north pointing towards the top edge of such paper;
 - iii) showing the relative position of every middle beacon, corner beacon, line beacon or indicatory beacon erected on the boundaries of such mining claim, and the length of each boundary line of such mining claim, **together with the co-ordinates of the corner beacons (in terms of Section 40(3)(a) of the Act)**;
 - iv) showing the position of all adjoining mining claims, mining areas, exclusive prospecting areas or retention areas which are marked by beacons, the names of holders of such licences and the ordinal numbers appearing on such beacons;
 - v) showing the position of the mining claim(s) in relation to:
 - a) the boundaries of any buildings on the property on which such mining claim is pegged;
 - b) the approximate angle of direction to, and distance from, at least one of the corner beacons of the mining claim to the nearest corner beacon or peg of such property;
 - c) any building, water supply, road, railway, river-bed, fence, trigonometric beacon, mining claim, mining area, exclusive prospecting area or retention area which is marked with beacons within such mining claim or within 500 metres of any boundary of such mining claim; and
 - vi) showing any other particulars so as to enable the mining claim to be located on the land where it is situated and to be plotted on a topo-cadastral map, and bearing the following declaration **signed** and **dated** by the pegger:

"This sketch plan represents (*number*) mining claim(s) with ordinal number(s) (*specify*) pegged on (*date*) under Non-Exclusive Prospecting Licence (*number*) by me in the name of (*name of NEPL holder*) on the farm(s) (*name and number*) in the Magisterial District/Region/Registration Division of (*specify*) owned by (*name of land owner*), of address (*specify*). The sketch accurately locates the mining claim(s) pegged, the claim beacons have been erected under the pegger's direct supervision in conformity with the requirements of the mining law, and permission to enter the land for the purpose of pegging the mining claim(s) was obtained from the land owner in accordance with the provisions of Section 16(2)(a) of the Act."
