WINDHOEK

EXPRESSION OF INTEREST

The Ministry of Mines and Energy invites qualified graduate specialists in the field of Oil and Gas to submit their CVs to join the Ministry's Graduate Program initiative.

Directorate: Petroleum Affairs

Post Designation: Graduate Program (Internship)
Post: Windhoek
Benefit: Monthly allowance and building a career in Oil and Gas industry with high chance of permanent employment

Minimum Requirement: A Bachelor's degree in Petroleum Geology, Petroleum Engineering, Oil and Gas law, Petroleum Economics/Finance and any other related Oil and Gas qualification on NQA level 7

Additional Requirements:

- A post-graduate qualification on NQF Level 9 will be an added advantage
- Must have a good ICT skill
- Excellent communication skills (both verbal and written); and
- Ability to work offshore and outside the Namibian borders

Key responsibilities:

Join a team of specialists in the Oil and Gas field to:

- Promote petroleum activities in the country.
- Conducting geological and geophysical research related to petroleum exploration.
- Monitoring the activities of oil companies carrying out petroleum exploration, development, production, and distribution in the country to ensure compliance.
- Building national capacity in the petroleum sector
- Ensuring that fuel (controlled products) prices are regulated, adjusted, and equalized accordingly.
- Initiating policy and legislation for petroleum exploration, development, and production in Namibia.

Please note: Applicants must be Namibian citizens. Only shortlisted candidates will be contacted, and no personal documents will be returned. **Interested applicants must complete the Public Service Government Employment Application form (156043) and a Health Questionnaire form (156094) obtainable at all Government Offices or on the website together with a comprehensive Curriculum Vitae (CV),** and original certified copies of ID, education qualifications, including **Academic Records** and other relevant documents.
