9. Best Evaluated Bid:

The Bid Evaluation Committee, in terms of section 52 (13) read in conjunction with section 52 (9) of the Public Procurement Act, 2015 (Act 15 of 2015), after the examination and evaluation of the bids for BID No. **W/ONB/15-12/2018**, identified the bid by **Sarva Electro Conductor CC** as the lowest substantially responsive evaluated bid. However, the Committee did not recommend this bid to be awarded to **Sarva Electro Conductor CC** due to the following reasons:

- i) **Sarva Electro Conductor CC** was awarded the bid for Electrification of government buildings: Ohangwena region for the financial year 2018/2019, Bid No: **W/ONB/15-06/2018** for the amount of **N\$799 536.93 (Seven hundred and ninety nine thousand five hundred and thirty six hundred Namibia dollars and ninety three cents).**
- ii) **Sarva Electro Conductor CC** has been recommended for award by the Bid Evaluation Committee for Electrification of government buildings: **Kavango East region for the financial year 2018/2019, Bid No: W/ONB/15-13/2018** for the amount of **N\$1 116 729.35 (One Million one hundred and sixteen thousand, seven hundred and twenty nine Namibia dollars and thirty five cents).**

Therefore, the Bid Evaluation Committee recommends this bid to be awarded to the **second lowest substantially responsive evaluated bid** which is **Delafi Electrical Services** for a total amount of **N\$323 172.08 (Three hundred and twenty three thousand, one hundred and seventy two Namibia dollars and eight cents) .**
