

**MINISTRY OF INDUSTRIES, MINES AND ENERGY**  
**SOLAR REVOLVING FUND CREDIT FACILITY**

## **SRF OFF-GRID COMMUNITY GRANT**

The Ministry of Industries, Mines and Energy (MIME) through Solar Revolving Fund Credit Facility (SRF) is providing grants to support **1- 4** existing small and medium Community Projects that requires the use of Renewable Energy in Zambezi, Kavango West and East.

Renewable technologies/systems to be funded:

- Solar Home System
- Solar Water Pump
- Solar Water Heater

Eligible groups must be community led and use the grant for the benefit of the community people.

The community projects should be based in rural and peri-urban areas only.

To apply for the grant:

Obtain application form, list of solar installers and suppliers and T&Cs at the Ministry's website ([www.mime.gov.na](http://www.mime.gov.na)) under **NEWS** section, Regional Council Offices and Constituency Offices.
