

## MINISTRY OF INDUSTRIES, MINES AND ENERGY

### SOLAR REVOLVING FUND

#### SRF OFF-GRID COMMUNITY GRANT

The Ministry of Industries, Mines and Energy (MIME), through the Solar Revolving Fund (SRF), is providing grants to support 1–4 existing small and medium community projects per region (Zambezi, Kavango East and Kavango West) that require the use of renewable energy.

#### Renewable technologies/systems to be funded:

- Solar Home Systems
- Solar Water Pumps
- Solar Water Heaters

#### Eligibility Criteria:

- Projects must be **community-led** and use the grant for the benefit of the community.
- Projects should be based in **rural and peri-urban areas**.

#### How to Apply:

Application forms, list of accredited solar installers and suppliers, and the terms and conditions can be obtained from:

- Ministry's website: [www.mime.gov.na](http://www.mime.gov.na)
- Regional Council Offices
- Constituency Offices
